"Return Service Requested"

2022 VBS by the Numbers

"Spark Studios" and Professor Spark taught us that we are created in Christ and designed for His purpose. God is good! All the time!

Thank you to everyone who took the time to pray for VBS before, during, and now after. Much appreciation to those who gave their time to work in any number of the many positions that always need to be filled. You make VBS possible.

We collected an overflowing box of school supplies to be given to our community during our Day of Blessing! How marvelous!

Our monetary offering was the largest we've ever collected for a VBS! Such a great way to worship our Lord! This will go to Options Now, our local pregnancy care center, located in Valdosta. Kudos to the boys for being the deserved winners of our fun competition!

In His Glorious Name,
Terri Peay
