

During “Illumination Station” VBS, the children explored all the ways that light brightens, illuminates, reflects, and reveals while discovering that Jesus is the light that brings hope to a dark world! (John 8:12) Kids were challenged to answer Jesus’ question, “Who do you say that I am?” They learned that scripture says: Jesus is the promised, perfect, proven, and powerful Son of God! Jesus is God’s plan for the forgiveness of our sin.

Each day, we collected an offering for Options Now, a local Life Choice Clinic that educates, supports, and empowers women facing unexpected pregnancy with compassion. Visit optionsnow.org for more information. We are excited to share that we collected \$1,208.20.

Lastly, we want to extend a heartfelt thank you to each of you who had a part in making this year’s VBS a success. Thank you to everyone who volunteered, provided a meal, made phone calls, prayed for us, helped decorate, provided materials, or helped in any other way, as it did not go unnoticed. We would not have been able to do it without you.

We are so blessed to have such a supportive church family whose desire is to share Christ with the world through our ministries. Please continue to pray for the children who attended and their families in the coming weeks. Thanks again for all you do! We appreciate you!
